Monday, July 27, 2020

Luther Park Camping & Retreat Center is located in northwestern **Wisconsin**, about two hours from the cities in **Danbury**. Nestled on the spring-fed **Lake 26** and surrounded by **186 acres of forest land** and trails, Luther Park strives to engage you with the **great outdoors**.

Plan on arriving at **4pm** on the first day and leaving around **12/noon** on the last day. Can't make the whole time? It's okay, let us know! We can work with busy schedules. All **meals** will be provided by our fabulous camp cooks! There will plenty of time for **family bonding** activities. Expect to explore God's creation and Word through many different types of activities and Bible studies. And, of course, there is **free time** during the day to swim, canoe, kayak, paddleboard, play gaga ball or basketball, visit the canteen, spend time in Arts & Crafts or rest in God's Creation. We will start our day with **Worship** and end with a worshipful **Campfire**. We look forward to seeing you this summer!

Options for lodging on **Mainsite** include **cabins** (sleeps 12-14), the **Log House** (5 rooms that sleep 2-5), or the **Welcome Center** (4 rooms that sleep 4). There are also options for **tents or campers** at **Outpost**.

Cost: \$200 per adult, \$100 per child ages 5-12, Free for ages under 4
