

Friends of Luther Park in Danbury, Wisconsin,

I hope this message finds you and your family healthy, happy and well. We are all experiencing an unprecedented time and challenge. With God's help we will continue to do God's work through the ministries of Luther Park.

At this point, Joel Legred, Luther Park's executive director, and Leah McDougall, Luther Park's program director, are monitoring state, federal and local agencies to comply with their protocols and guidance. They are also in contact with other camps to help maneuver these days. But for now, we invite applications for summer positions, and we encourage campers to register. We will refund monies if we are unable to provide summer programming.

Our annual meeting has been rescheduled for Thursday, April 30th at 7:00 p.m. at Zion Lutheran Church in Minneapolis in conjunction with the April Board meeting. If we need to postpone, we will let people know via email, Facebook and our website.

We ask that you pray for all people affected by COVID-19, the 2020 camp season and all the year round staff, summer staff, volunteers, donors, campers and their families.

With God's love and peace,

Scott Housman
